

GRANVILLE

STYLE:

The Granville neighborhood benefits from the casual elegance of a relaxed, resort-style atmosphere. A distinctive guard gated entry creates a stunning first impression. Gracious, inviting floor plans feature large private courtyards, covered patios and dramatic entryways. The homes offer two or three bedrooms, up to three baths, meticulously appointed gourmet kitchens with breakfast nooks, formal living room with fireplace. Sumptuous master bedroom suites in selected floor plans boast a sitting room. As revealed by the models, the homes are light filled and elegantly detailed. Interiors are defined by ceramic tiles, wood or marble entry flooring, and raised panel interior doors.

FEATURES:

Granville residents enjoy such private community recreational opportunities such as a swimming pool, fully tiles spa, built-in barbecue and designer appointed clubhouse complete with big screen, surround sound stereo and a full kitchen, for the exclusive entertainment use of Granville residents and their guests.

SHOPPING:

The Neighborhood's rare, heart of Newport beach address is within walking distance of the business and financial hub at Newport Center as well as world class dining and shopping at Fashion Island.
